

CARDBOARD TUBE RELIEF SCULPTURE

Materials:

Cardboard tubes

Construction
paper

Decorative paper

Copy paper

Pencil

Scissors

Glue

Ruler

Picture mat

Instructions:

- A relief sculpture is a type of sculpture where the sculpted elements are attached to a solid background.
- To make a cardboard tube relief sculpture, choose a piece of construction paper or decorative paper for the background.
- Cut the cardboard tubes into even intervals.
- Arrange the cardboard tube pieces on to the paper background however you want.
- Your design can be a recognizable shape or abstract. It can be symmetrical or asymmetrical.
- The possibilities of what you can create are endless.
- Once the design is finalized, dip the bottom edge each cardboard tube piece into glue and place them on the paper background.
- You can frame your cardboard tube relief sculpture with a another piece of paper or a picture mat.
- Now you have a cardboard tube relief sculpture!
