

# NATURE ART

## Instructions:

- This project requires you to go outside and collect found nature objects in a container like a basket.
- Make sure you have an adult's permission and supervision when collecting materials outside.
- Found nature objects outside include twigs, rocks, pebbles, leaves, and flowers.
- Found nature objects in your house might be seashells, colored gems, and wood blocks.
- Find a flat spot and layout all your found nature objects.
- Start with a center and begin circling around.
- Continue adding more items as you circle outward.
- Notice the patterns and symmetry of your design.
- When your done, brush your design away .and start again.
- The possibilities of what you can create are endless!
