

RAISED SALT PAINTING

Materials:

Construction
paper

Water

Watercolor

Paint brush

Bowl

Glue

Salt

Pencil

Instructions:

- To start, draw a pumpkin on a piece of construction paper.
- Go over the pencil lines with liquid glue.
- Before the glue has dried, cover the glue with salt.
- Shake off the excess salt.
- Once the glue has fully dried, use watercolors to color the salt.
- Color the lines of the pumpkin orange and the stalk brown.
- Now use the watercolors to paint in between the salt outlines of the pumpkin. Once again, color the pumpkin orange and the stalk brown.
- Now you have a raised salt painting of a pumpkin!
- You can repeat the process with other subjects. The possibilities of what you can create are endless!
