

## VIRTUAL SUMMER ART CAMP

This year, the Appleton's annual Summer Art Camp will be completely virtual and free, featuring eight unique weeks of themed camps, each with five activities and three live Zoom classes with an art instructor. A materials list will be provided in advance of each camp, and activity instructions will be provided just prior to the first day of each camp. Projects are ideal for ages 7-12, and younger children with the help of an adult.

Pre-registration required via Eventbrite. Zoom session login details will be sent in your email confirmation; sessions will be recorded and posted on our YouTube channel for later viewing.

**Registration begins May 3 at
