

MAKE A MONSTER BOOKMARK

Materials:

Colored paper

Marker

Scissors

Glue stick

Instructions:

- Use a small square piece of paper and trace it onto a colored paper.
- Fold the square into to half to make a triangle and then trace the triangle onto two perpendicular sides of the square.
- Cut the shape out.
- Fold the sides down on the line and glue the flaps together.
- Cut out hair, eyes, and a nose out of colored paper and glue them on.
- Use a marker to add details like eyebrows, nostrils, and even a mustache.
- If desired, cut teeth out of colored paper and glue them to the bottom half of the triangle.
- Slip your monster over the corner of a page to devour your book!
